

# Be a Hero for a Better World!

To all the survivors out there, I want them to know that we are stronger and more resilient than we ever knew. We survived, that should be enough but it isn't. We must work hard to become whole again, to fill our soul with love and inspiration, to live the life that was intended for us before it was disrupted by war and horrors, and help rebuild a world that is better than the one we had just left."
